

Band Boosters needs you! Some of the ways Band Boosters helps are by chaperoning field trips, helping with band camp, providing snacks and meals, carrying equipment on-field at games, plus organizing fundraisers and events. It takes many volunteers working together to make this the best band program possible. If you would like to get involved, scan the QR code or please contact shepherdbandbooster@gmail.com.

Want to know our future events? Check out this website! It has a calendar so you know when to come see us again! It also has resources like private lesson information, scholarships, announcements, and more!

Want to find our Facebook page? Well, it's right here! Just scan the QR code. Here you can find pictures from our events, and get updates on Band Booster meetings!

Want to help fundraise money for the band and get your mom nice flowers? Well, you can do both! With just scanning the QR code, you can donate to our band and get flowers through Lapham's Garden Center! Purchase a \$20 certificate for use towards a hanging basket or any plant material! Make both your mom and our band proud.
